

01 THE OTHER SIDE OF DOWN

Down, down,
Down, down
Down, down
(Down, down)

Here I am with all these questions
Hanging from my ceiling low
One by one they all keep telling me
I told you so

Everywhere I turn I see
Red light flashing over my head
Oh no! Oh no! Oh no! Hmmm

In a whirlwind, spinning, now somehow
It knocked me off my feet
But, I know better than to let it get the best of me
I could give up, I could stay stuck, I could move on

Refrain:

So I put one foot front of the other
No, no, no, nothing's gonna break my stride
Iiiiiii keep climbing, gonna keep fighting
Until I make it to the other side of
Dooooown, doooooown,
Dooooo- whoa-a-a- awn

In this sky am standing under
All I see is in this rain
I think I spot a silver lining
Hiding in the gray
I might get toss around
But am always bouncing back
Ohh-oh-oh-whoa

I could give up, I could stay stuck
Or I could move on

(REPEAT REFRAIN)

Dooooown, doooooown
Dooooo- whoa-a-a- awn
(yehey, yehey, ye-eah)

On the other side of down
It keeps calling me
Where I want to be
On the other side of down
It keeps calling me
Where I want to be (2x)

(REPEAT REFRAIN)

Dooooown, doooooown,
Dooooo- whoa-a-a- awn
Yehey-yeah
Down, down (Whoah- woooah)
Oohh down, down
(Yehey-yeah) The other side of down
Down, down
The other side of doooooo- whoa-a-a- awn
(Yehey-yeah)

02 SOMETHING 'BOUT LOVE

Every night it's all the same
You're frozen by the phone
You wait, something's changed
You blame yourself every day
You'd do it again
Every night

Refrain:

There's something 'bout love
That breaks your heart
Whoa oh oh oh
It sets you free
There's something 'bout love
That tears you up
Whoa oh oh oh
You still believe
When the world falls down like the rain
It'll bring you to your knees
There's something 'bout love that breaks your heart
Whoa oh oh oh...
But don't give up
There's something 'bout love

When you were young
Scared of the night
Waiting for love to come along
And make it right
Your day will come, the past is gone
So take your time
And live and let live

(REPEAT REFRAIN)

Bridge:

Don't fight
Don't hide
Those stars in your eyes (in your eyes)
Let em' shine tonight
Let em' shine tonight
Hang on
Hang in
For the ride of your life
It's gonna be alright
Hold on tight

There's something 'bout love
That breaks your heart
Whoa oh oh oh

(REPEAT REFRAIN)

Whoa oh oh oh...
Set's you free
There's something bout love
That tears you up
Whoa oh oh oh
You still believe
When the world falls down like the rain
It'll bring you to your knees
There's something 'bout love that breaks your heart
Whoa oh oh oh...
But don't give up
There's something 'bout love

03 ELEVATOR

woah oh oh ohhh

I had a dream last night
I didn't know which floor to get off on, heyyyeyy
The doors, they opened on 4 and 5 and 6
And you were gone, all gone

I didn't understand
I didn't wanna know
At least I took a chance
I had to let it go

Refrain

Elevator goes up
Elevator come down
And you just go with the flow
Until your feet are back on the ground
It's an endless ride
Sometimes it takes you up
Sometimes it tears you down inside
But it's the butterflies
That keep you feeling so alive, so alive
You gotta get back that high

And in my dream last night
The doors they finally shut and I was there, somewhere
Alone in my reality inside an empty box
That's filled with air
But I don't care, noooo

Next time I'll get it right
Next time I'll be okay
I'll have a different dream tonight
Tomorrow's another day

(REPEAT REFRAIN)

Bridge:

You'll never know
What you're gonna get
What you don't expect will come and find you
If you laugh or cry
If you run and hide
But it's all right

(REPEAT REFRAIN till fade)

04 STOMPING THE ROSES

Wasting time, just going mindless
Watching your charades
When you were younger, did it occur to you
10 years from then, you'd act the same age?

I cannot carry on this way
Although I've carried all your every little thing
Carry me away

Chorus:

Did you feel like stomping the roses?
Smashing out all the feeling inside of them
It's bad business
The way you're stomping the roses

I was flipping channels on my television
And it made me feel unwell
One of those complicated soap operas
I almost felt like I was watching myself

I cannot carry on this way
Although I've carried all your every little thing
Carry me away

Chorus:

Did you feel like stomping the roses?
Smashing out all the feeling inside of them
It's bad business
The way you're stomping the roses
Everyone knows it

I know I know I know I know
It's over and
I know I know I know
I've always been your token nice guy
I know that you rule your whole world
Thought I could live in it
But I just can't

Chorus:

You know you're stomping the roses
Smashing out all the feeling inside of them
It's bad business
The way you're stomping the roses
Everyone knows it

Stomping the roses
Smashing out all the feeling inside of them
It's bad business
The way you're stomping the roses
Ah-ooohhhh

Stomping, stomping, yeah
Take it easy, yeah
Nanananananana, yeah

05 WHO I AM

Ohhh-whoa (3x)

Been two hours in a taxi cab
Am just driving around and am runnin' a tab
But it doesn't really matter
No, am not getting mad
It's OK 'cause I know where I'm going

Out in the window everybody's on the phone
All their lights are on and they're all in the zone
Gonna take a step back from my new ring tone
I don't care if Jeff Fenster is calling

Refrain:

Days like these, it's hard to breathe
I'm gonna take this moment that I'm in right now
Stop the craziness somehow
Leave it all behind me
No one's gonna find me
I got nothing to win and I got nothing to lose
Just trying to walk in my own two shoes
Gonna take the time now
It's time for me to find out
Who I am

Woah-oh- woah (woa-oh) (3x) Who I am

The windshield runs like a movie screen
And the world outside is a big machine
And it moves so fast I can barely think
That's OK 'cause I know what I'm doing

(REPEAT REFRAIN)

Woah-oh- woah, woa-oh (2x)

Bridge:

Sometimes (sometimes)
You just know (just know)
When to hold on
When to let go

I'm gonna take this moment that I'm in right now
Stop this craziness somehow
Leave it all behind me
No one's gonna find me
I got nothing to win and I got nothing to lose
Just trying to walk in my own two shoes (Days like these)
Gonna take the time now (Hard to breathe)
It's time for me to find out... (Ye-ah)
I got nothing to win and I got nothing to lose
Just trying to walk in my own two shoes
Gonna take the time now
It's time for me to find out
Who I am

Woah-oh- woah, woa-oh,
(Time for me, time for me, to find out) Who I am
Woah-oh- woah, woa-oh,
(Time for me, time for me, to find out) Who I am
Woah-oh- woah, woa-oh,
(Time for me, time for me, to find out) Who I am

06 FALLING STARS

When you forget me
When you don't remember my name
Not even a mem'ry
Somewhere in the back of your brain
I won't be offended
'Cause I always knew that the day
Will come when I'm not enough to make you stay
You tell me it's not possible
No way that we could break
But nothin' is illogical
Believe me

Like falling stars over your head
We were bound to burn out
Burn like crashing cars
I'll never get over you, never over you
'Cause you are so... beautiful... yeah

The world is turnin'
And time keeps on lingering on
The sun will be burnin'
Eventually you will be gone
I'll always love you
Oh believe it or not
Baby that's not enough to...
Not enough to stop

These falling stars over your head
We were bound to burn out
Burn like crashing cars
I'll never get over you, never over you
'Cause you are so... beautiful... yeah

Bridge:

When it's all said and done, I'll be
Just a speck in the galaxy
Floating far away by gravity
You tell me it's not possible
No way that we could break

Like falling stars
Like crashing cars
Like falling stars over your head
We were bound to burn out
Just like crashing cars
I'll never get over you, never over you
Cause you are so... beautiful

You are so... beautiful, yeah

07 PARACHUTES & AIRPLANES

There's something crazy 'bout this day
Like I'm walking on a trampoline
I couldn't get much higher

So if I ask you, would you stay?
'Cause you remind me of a
Ballerina dancing on a wire

And I don't ever want to say goodbye
I just want to steal this moment
Right away from time

Refrain:

What do you say when you can't look down?
When you feel like you're ten feet off the ground
What do you do when you're on the edge?
Now you're here and you got me thinking 'bout
Parachutes and airplanes
Thinkin' about
Parachutes and airplanes
We'll never hit the ground, ground, ground, ground

The world's a thousand shades of blue
Like we're here in the kaleidoscope
Don't want it to be over

But everything that's in my mind
Is here right in front of my eyes
And you're the one who got me here

Coz I don't ever want to say goodbye
I just want to steal this moment
Right away from time

(REPEAT REFRAIN)

'Cause life gets hard sometimes
And I just need a place to get away
So turn the world around
I'm never coming down
'Cause I don't ever wanna hit the, wanna hit the ground

Ground, ground
I don't wanna hit the ground
I don't wanna hit the ground

(REPEAT REFRAIN except last line)

Yeah, yeah

What do you say when you can't look down?
When you feel like you're ten feet off the ground
What do you do when you're on the edge?
Now you're here and you got me thinking 'bout

Parachutes and airplanes
Thinkin' about
Parachutes and airplanes
We'll never hit the ground, ground, ground, ground
Never hit the ground, ground, ground, ground

08 LOOK AROUND

Keep on running
And you'll never get to feel the moment
It's like you're sleeping
Cuz you don't take the time to take it in
Like a trainwreck you're on a mission
Tunnel vision got you blinded
Better slow down
Before you lose ground
It'll happen anyway
Paint it over if your world is gray

Refrain:

When you close your eyes to see the view
You miss everything surrounding you
Stop and just look around
Get up and look around (3x)
You can build your life right on air
But your need will always be there
Stop and just look around
Get up and look around (3x) you
Oh-oh-oh (3x)
Look around, look around (2x)

Shut the window tight
But it's raining on the inside
Do you realise you're getting nowhere
That it's all laid out for you?
Cut the ribbon if it starts to fray

(REPEAT REFRAIN)

Bridge:

You found a loop hole
That you fell in
Now you're treading water
You gotta see the hand
For it to pull you out

(REPEAT REFRAIN)

Look around

11 THINGS ARE GONNA GET BETTER

Yeeahh-yeahhh, hmmm

Everybody's got a time in their life
When everything hurts and nothing's right
But you gotta walk on
Yeah, you gotta walk on

Everybody's got a piece of their heart
That's been stepped on and torn apart
But you gotta be strong
Yeah, you gotta walk on

'Cause I know it's hard to have the strength and
Sometimes you can't get through the day but
Things just float on by like the river in the night

Refrain:

But I know things are gonna get better
And I know things are gonna be fine
And I know life is gonna get better
Standin' here together
Yeah, we're gonna be fine

Everybody's got that one regret
No matter how they try, they can't forget
But you gotta move on
Yeah, you gotta move on
Everybody's got someone they've lost
And they can't believe they're really gone
But you gotta live on
Yeah, you gotta live on

'Cause I know it's hard to have the strength and
Sometimes all you feel is pain but
Time keeps floating by on the river in the night

(REPEAT REFRAIN)

I dreamed*
Showed hope*
We see it in your eyes
So take me
Touch me
'Cause with a little bit of love
We can win the fight
With a little bit of love
We can see the light
With a little bit of love
It'll be all right

(REPEAT REFRAIN)

Walk, walk, walk on by
Keep, keep, keep walking on
Keep, keep, keep walking on

* On the MDA Telethon he sang: "I know, there's hope"

12 MY KIND OF PERFECT

I was thinking about ya
I drew a little picture
But some things you can't put on paper
Like it like shooting stars?
I write songs on guitar
Got more things to do than stare at a mirror

Refrain:

But I know, I know
She's gotta be out there,
Out there
I know, I know
She's gotta be...
Maybe I'm wrong
Maybe I'm right
Maybe I just let you walk by
What can I say?
Maybe I've known you all my life
Is she the one?
Is it today?
Will I turn the corner?
See my future in a beautiful face
Maybe...

She's anything but typical
A sweet surprise
No matter what
She's looking at the bright side
It's gonna be worth it
'Cause that's what love is
I'll keep searching for my kind of perfect

(REPEAT REFRAIN)

Bridge:

They say give it time
Give it time, and it will fall in line
But I keep wonderin'
How and when and
Why I haven't met you?

But maybe I'm wrong
Maybe I'm right
Whooaahhh
Is she the one?
Is it today?
Will I turn the corner?
See my future in a beautiful face

Maybe I'm wrong
Maybe I'm right
Maybe I just let you walk by
What can I say?
Maybe I've known you all my life
Is she the one?
Is it today?
Will I turn the corner?
See my future in a beautiful face
Maybe
Ooohh maybe yeahh

Lalalalalalala, oh-whoaahh
I'll keep searching for my kind of perfect.

13 THE DAY AFTER TOMORROW (bonus track)
